Fate of a Coward

My mind is seeping
Into the darkness
My pulse is growing
Weaker by the moment
From fight each battle
In a war that can't be won
I might as well end it
With a single shot to my skull
Don't tell me
Don't tell me
That the worst is yet to come
Don't tell me
Don't tell me
There's no justice after all
That fate mapped it out so perfectly
To fight the regards
Of the coward
The years I spent scrubbing the blood I never shed
Encased in fear bound to repetition
You can't fool me no not anymore
I see the bastards grin
Through your confession
Don't tell me
Don't tell me
That the worst is yet to come
Don't tell me
Don't tell me
There's no justice after all
That fate mapped it out so perfectly
To fight the regards
Of the coward
I wanna see you cower
In the screaming echoes of your past
I wanna see you cower
And burn this cycle into dust
I wanna see you cower
And self destruct
And if that's not enough
I'll haunt your dreams like you haunted mine
Claw at the sockets of your deceiving eyes
I'll make you rue the day
You ever laid your hands on me
Don't tell me
Don't tell me
That the worst is yet to come
Don't tell me
Don't tell me
There's no justice after all

Never Gonna Give You Up

Rick Astley

3.33 min

We're no strangers to love
You know the rules and so do I
A full commitment's what I'm thinking of
You wouldn't get this from any other guy
I just wanna tell you how I'm feeling
Gotta make you understand
Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
We've known each other for so long
Your heart's been aching but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it
And if you ask me how I'm feeling
Don't tell me you're too blind to see
Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
Never gonna give, never gonna give
(Give you up)
We've known each other for so long
Your heart's been aching but you're too shy to say it
Inside we both know what's been going on
We know the game and we're gonna play it
I just wanna tell you how I'm feeling
Gotta make you understand
Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
Never gonna say goodbye
Never gonna tell a lie and hurt you
Never gonna give you up
Never gonna let you down
Never gonna run around and desert you
Never gonna make you cry
